Motorola Austin Alumni Club (MAAC)

Welcome. Please consider joining us if you are a past Motorola associate. We also hope your spouse/partner will join with you. The annual dues are only $15/person. If you want to pay using Zelle, go here: https://maacweb.org/payments.html (Ctrl-click)

We're a group of ex-Motorolan's that get together every 3 months on the second Tuesday of February, May, August and November. We socialize, have a presentation on a topic of interest, catch-up, learn a little, and mostly have some fun. We also have an annual Spring picnic and an annual Christmas luncheon in Dec.

Examples/Topics of some of our past guest speakers are in the areas of Financial Planning, Estate Planning, Restoring Classic Cars, Texas Department of Transportation Plans, AARP Benefits, Volunteer Opportunities in Austin (engAGE), Hospice Austin, Local Authors, the National Weather Service and even during Covid we Zoomed in with the Port Aransas Historical Society. We are always open for suggestions for new topics to discuss and learn.

You don't have to be retired, though most of us are. You just have to have worked for Motorola or associated company (Freescale, NXP, etc.). (A few are still working at NXP).

To join, download and fill out the membership form at this link:

https://maacweb.org/membership/memberForm.pdf

Instructions are on the form. Send your dues (checks made out to MAAC) and printed form to the Treasurer noted on the form. To pay dues using Zelle, go here: https://maacweb.org/payments.html (Ctrl-click)

You can read about our club on the website:

https://maacweb.org

On our website you will find Purpose/Objectives, Constitution, Officers, Usual Meetings, etc. We also support our future generations by granting scholarships to members' children, grandchildren, or other close relatives. This is our small way of giving back and our appreciation of our benefits from our careers at Motorola.

We hope that you will join the club. You're welcome to come to our next meeting (meetings are on the second Tuesday of February, May, August and November). See the newsletter or contact an officer for location and details.

MAAC Officers and members.
